(N)+(R) The Board invites the attention of the Government to their orders cited in which they sanctioned the erection of ~~the~~ a Distillery at Mangalore by Messrs. Albuquerque and Sons, for supply of arrack to South Kanara district from 1-4-44 and also the staff for supervising the operations in the distillery. The Assistant Commissioner for Distilleries has reported that Messrs. Albuquerque and Sons have not completed the arrangements for the manufacture and vatting of jaggery arrack in the new distillery at Mangalore and that they will not be in a position to serve their contract area with jaggery arrack, manufactured in that distillery for a month from 1-4-44. It is therefore, necessary that the present contract suppliers viz., Messrs. Parry and Co., should hand over a stock of 6000 proof gallons, sufficient for one month's supply to the new distiller, until the new distillery is in a position

position to supply liquor. The Board has therefore issued necessary instructions for the handing over by Messrs. Parry and Co., to the new distiller of the above mentioned quantity of arrack, for supply to the shops in the South ~~Kanara~~ Kanara district for one month from 1st April 1944 under conditions 13 and 19 of the Arrack supply contract Licence conditions

2. The Board considers that the existing staff of one Sub-Inspector and two peons employed in the Mangalore Warehouse the cost of which is now borne by Government, and which should in the normal course ~~circumstances~~ be surrendered from ~~1-4-44~~ 1-4-44, should continue to be employed for a month from 1-4-44, to supervise the transactions in the Warehouse in connection with the handing over the liquor by the old to the new contractor ~~supplier~~ supplier and for supply of liquor from the Warehouse to the Depots and shops in the South Kanara district. As the new distiller should have arranged for the commencement of distillation of arrack in time, to enable issues to be made from the new distillery to depots and shops in South Kanara district from 1-4-44, the Board considers it equitable that Messrs. Albuquerque and sons should bear the cost of the Excise staff employed in the Mangalore Warehouse for a month from 1-4-44. The approximate cost of the staff including leave and pensionary contribution works out to about Rs. 140/- per month. The actual cost of the staff together with leave and pensionary contributions will be recovered from Messrs. Albuquerque and sons in advance and credited to Government as is done in the case of the Excise staff employed in the Pharmaceutical Laboratories vide G.O.No. 1127 Revenue dated 25-1-43 in this connection. The Board requests that the Government may be pleased to approve its proposals and pass orders at an early date. The staff of one Sub-Inspector and two peons employed in the Mangalore Warehouse will be temporarily disbanded from 1

and three peons will therefore expires on 17-2-45. Since the new Distiller has taken up the contract for the whole of the year 1944-45 the Board requests that for the sake of convenience the sanction for the temporary staff may be extended till the end of the year i.e., till 31-3-45.

G.O. No. 2, 7th January 1939

Madras Financial and Account Code—Cashing of cheques—Verification of acknowledgments given by the endorsee in vernacular—Amendments issued.

READ—the following paper :—

From the Accountant-General, dated 23rd November 1938, No. T-12-Coimb./22-846.

Order—No. 2, Finance, dated 7th January 1939.

The Accountant-General has brought to the notice of the Government that difficulty is experienced in verifying endorsements in Indian languages other than the languages ordinarily used in the district furnished by the payees of Government cheques or bills. He suggests that, when a messenger deputed for cashing a Government cheque or bill is only able to furnish acknowledgments in a language not current in the district, he may be treated as an illiterate payee and that the procedure laid down in Article 44 (*f*) of the Madras Financial and Account Code, Volume I, may be prescribed for such cases. The Accountant-General also suggests that, when a messenger can only sign his name in a language of the district, but cannot acknowledge the amount received in his own handwriting, he may also be treated as an illiterate payee.

2. The Government accept the Accountant-General's suggestions and direct that all disbursing officers should follow the procedure suggested by the Accountant-General. The Reserve Bank of India and the Imperial Bank of India are also requested to observe the above procedure when payments are made on Government cheques or bills.

3. The following amendment to the Madras Financial and Account Code, Volume I, is issued :—

Page 35, *Article* 69 *II.—Insert* the following as a new sub-paragraph :—

"When a payee's acknowledgment is in a language not current in the district and there is difficulty in getting it translated into English and when the payee can only sign his name in a language current in the district but cannot acknowledge the amount received in that language the procedure laid down in Article 44 (*f*) of the Madras Financial and Account Code, Volume I, for the attestation of the mark, etc., of an illiterate payee should be followed."
